

Rec2Tech Site Visit & Reception Event Plan

Thursday, September 15, 2016 | Pittsburgh, PA | South Side

Facilitation Strategy

The event is designed to enable participants to first see Rec2Tech in action by attending a site visit at the Ormsby Recreation Center, then attend an invitation-only reception at the South Side branch of the Carnegie Library.

During the last hour of the event, Sprout staff will facilitate several stations to garner feedback from attendees about their ideas for the future of Rec2Tech in Pittsburgh.
